

# SUNRISE THERAPY FOREST

**Come Grow With Us**

## OUR MISSION

To develop the full potential of children and adults with special needs, through horse riding, therapy, education, recreation, and life skills programs, farm-related and social activities.

## ABOUT US

Sunrise Therapeutic Riding & Learning Centre empowers those with special needs through its accredited therapeutic riding program, day program for adults, and inclusive recreation programs for children and youth of all abilities.

The Sunrise Therapy/Memorial Forest is transforming 20 acres of land into managed forest and meadow habitats of native species. This resource will be used for wellness and nature based activities within Sunrise programs. It will also provide the opportunity for honouring and remembering loved ones.

## GOALS:

- Provide accessible natural spaces for innovative, inclusive programming for children and adults with special needs, with a focus on fitness, wellness, nature appreciation and respect for the environment.
- Enhance existing biodiversity through planting of native species, and provide new habitats and food sources for pollinators.
- Eventually there will be riding trails, separate from accessible walkways with interpretive signs, Memorial/In Honour areas, and program spaces.

## NOTE:

\*For a donation of \$2000 there are also benches made of recycled composite, weather resistant materials. These benches are available to be named, and will be placed throughout the property offering the opportunity to sit and enjoy the country surroundings.

## **PROJECT DETAILS**

- A recognition/sign unveiling event will be held every September. All those who supported the forest project in the past year will receive an invitation to the event.
- Sunrise staff will determine the species and location of Trailblazer trees and benches, in keeping with the overall forest design. A limited number of stone benches will be available each year.
- Should a Trailblazer's tree become damaged within 5 years, the donor's sign will be moved to another tree.
- All supporters will receive a tax receipt and a certificate, suitable for giving as a gift to someone being recognized through this project.
- Please note that for the safety of all, visits are available by appointment, and must be booked in advance with Sunrise.
